PLAY A PART | Community Input is Essential

OPEN HOUSE COMMUNITY INPUT WORKSHOPS

Pick a workshop and play a part in the development of the NEW Master Plan that will serve as a road map for long-range priorities for parks, trails, recreation facilities, programs, operations, preservation, and maintenance.

Wednesday, April 24 | Denia Rec Center, 6 p.m.

Thursday, April 25 | Senior Center, 11:30 a.m.

Thursday, April 25 | MLK Jr. Rec Center, 6 p.m.

WE VALUE YOUR TIME

Refreshments will be served and both adults and kids will be encouraged to "Pick, Stick, and PLAY" using funds issued at the door. You'll visit different stations and spend your money on what's most important to you. The money in-hand may not be real, but what it represents is and that's what we take to heart.

The Master Plan Process in a Nutshell

It's not rocket-science, but good to know before you go.

Click below to hear Gary Packan, Director of Parks and Recreation explain master planning and why community engagement is so essential to the process.
