Overview

Alert Denton Overview

The City of Denton has launched Alert Denton, a new mass notification service powered by Everbridge, that allows us quickly send critical and emergency messages across the community. This service allows you to opt-in to receive notifications via phone calls, text messaging, e-mail and more based on locations you care about. You can choose to receive notifications about events that may affect your home, workplace, and more that are located within the City of Denton.

How It Works

When we issue a notification about a potential safety hazard or concern, you will receive a message on the voice or digital communication methods that you have registered. You can also request to have the system will continue to attempt to reach you at all of your preferred contact paths until you have confirmed you've received the message.

Sign up for Notifications

Create an account from this site and add your contact and location information into the Mass Notification system. All information you provide will be kept strictly confidential.

Stop Receiving Notifications

You can stop receiving at any time by removing your contact information from your profile.

FAQs

Alert Denton Frequently Asked Questions

When will Alert Denton be used?

This system will be used to notify you about imminent threats to health and safety and other critical or emergency notifications that may affect you where you are. Administrators may send notifications regarding severe weather, flooding, gas leaks, public safety activity, and more.

Will I still get emergency notifications if I don't sign up?

If you don't create a username and password, you will receive citywide notifications only telephone if your phone number is available within Everbridge's expansive database of phone numbers. These numbers are drawn from sources such as local 911 databases. Geographic specific notifications, customized weather alerts, and notification preferences (voice, text, email, etc.) are only available to those who opt in by creating an account.

What if my phone number or email address changes?

The system is only as good as the information you provide. If your contact information changes, you can always visit your profile and update your information.

Will my contact information be shared with others?

No. The information that you provide will be used by the City of Denton for notification purposes. We will not give or sell your contact or location information to any vendor or other organization.
