

# Quakertown Centennial Memorial Project Community Meeting

Join us on Zoom for upcoming meetings

The Quakertown Centennial Memorial Project is a collaborative, community-wide effort to recognize and honor the community of Quakertown, its residents, and their descendants. It was roughly 100 years ago that the Quakertown community – a vibrant, middle-class, and largely African American community – was removed to make room for a City Park where Quakertown Park now stands. The City of Denton Parks and Recreation Department will be holding two meetings in order to receive public input about the Quakertown Centennial Memorial Project.

The first meeting is on November 14, at 6 p.m., held virtually on Zoom

The second meeting is a hybrid Zoom/in-person meeting and will take place December 1, at 6 p.m.

The in-person meeting will be held in the Development Services training room, 401 N. Elm Street
