Subject: Coach Email - Flag Football

Coach,
Thanks for volunteering with us this season! We could not do it without your help!

Attached is your team roster. Practice begins the week of March 21st and the first game will be March 26th. I emailed all the parents their team assignment. Please still get in contact with parents and let them know about your practice. You can either send out an email, give them a call, or do both if you don't hear back from someone **Please try and get a hold of everyone by the end of the week, Friday March 4th**. If you have any issues reaching anyone, please let me know.

Equipment Bag/Jerseys:

- **Equipment:** Everyone will be assigned an equipment bag that will include cones, footballs. We will have the equipment out to you at North Lakes Soccer Field #11 the week of your first practice, March 21st.
- **Jerseys:** The jersey order/flags will be placed this week and we will have them passed out before the first game. Staff will be able to assist in passing them out before the game, so please arrive about 10 minutes early.
- **New Complex:** Games will be taking place at our new complex, Vela Athletic Complex Field #2. The address is 3801 N Elm Street, I have also attached a map of the field. Practices will be held at North Lakes Soccer Field #11.
- **Schedules:** The schedules have been posted, at the following site, www.teamsideline.com/denton Attached is a copy of the rules for you to review. Please read them through and send the code of conduct to all your parents so we can all be on the same page.
- **Officials:** Please ask the officials prior to each game to clarify any rules/questions you may have. Please remember that every official in all levels misses calls and it's all a judgement call and I can assure you that the officials do not favor anyone, as it's their job to be unbiased and just call what they see. Again, if you have any questions prior to the game, please address it with the officials. This will be done so the calls can stay consistent throughout the season.
- **Rain-Out Line Policy:** The Denton Athletic Field Condition line is (940) 349-8276 and will be updated by 4pm on weekdays and 8:30am on weekends when conditions are questionable.

Once again thanks for volunteering and hope you have a fun season!

If you have any questions give me a call.

Best,

Kelsey Stuart
