

Denton Parks and Rec

November 4 at 9:54 AM

The City of Denton has been working diligently on seeking public engagement for the Briercliff Park & Pecan Creek Regional Trail Master Plans. Parks and Recreation will attend the State of the City on November 17, 2022. We would love to see you in person and hear your feedback. The Parks and Recreation department will prepare final recommendations for the Master Plans by December. For more information about each project and to provide feedback, please visit www.discussdenton.com.
